**How to add cases?**

1) Go to "My cases" in the sidebar.

2) Click on "+ New case" on the top right of the page.

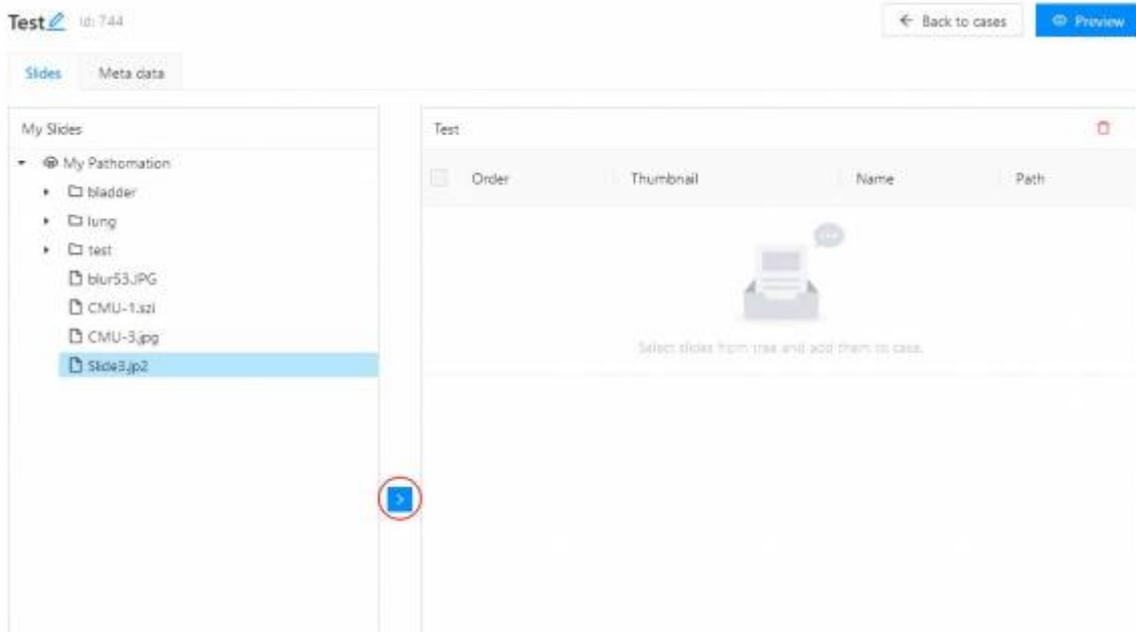

3) Choose a name for your case and press "Create"

4) Select the slides which you want to add to your case.

5) Click on ">" button

The slides now have been added to your case. To view your cases, go back to the list by using the "←
Back to cases" button, or preview your newly created case by clicking on "Preview" button.
