

How to host a slidebox?

Before you make a slidebox, make sure you've already uploaded some slides and created at least one collection to add to your slidebox.

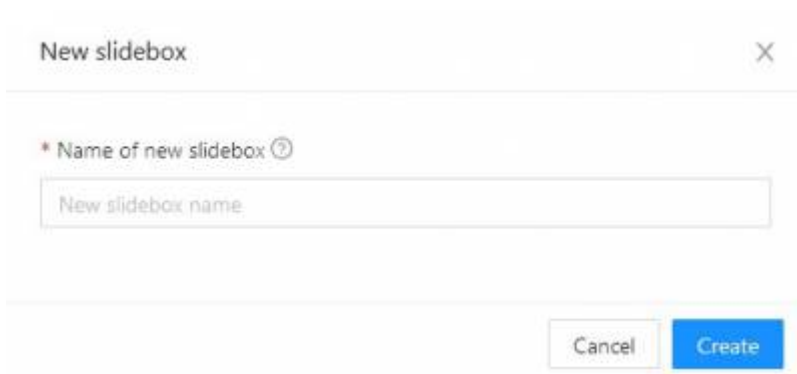

1. Go to "slidebox" in the sidebar

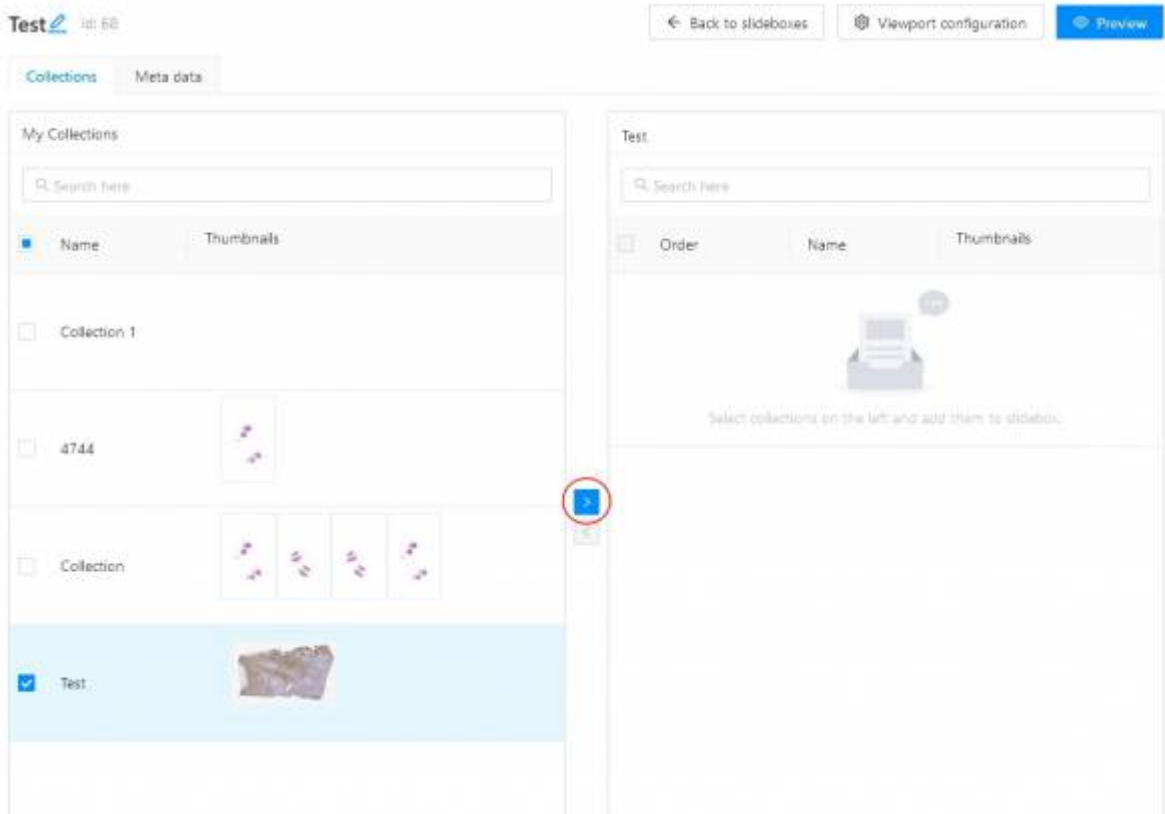

2. Click on "+ New slidebox" on the top right of the page

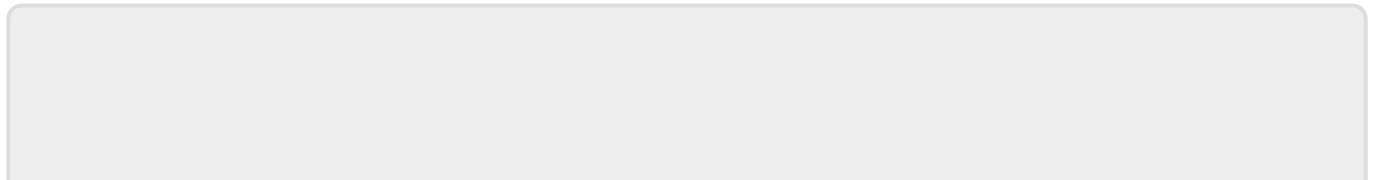

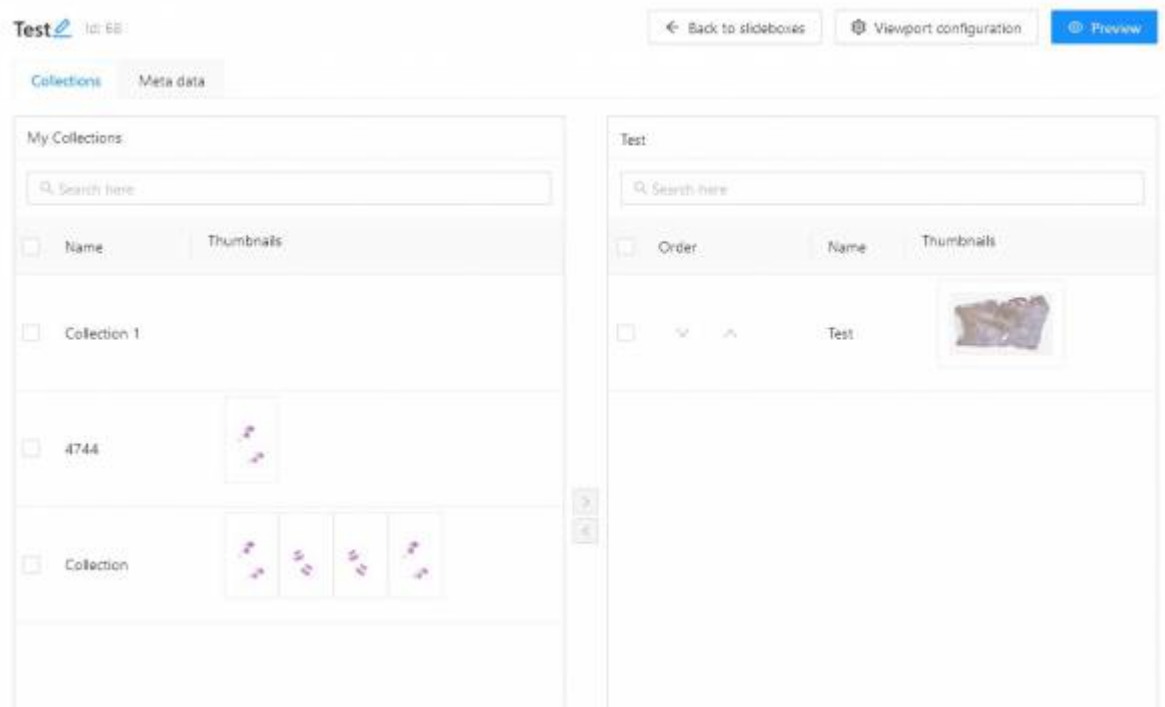

3. Choose a name for your slidebox and click on "Create".

4) Select the collections which you want to add to your slidebox and press ">".

5) Return to the list, by using the “Back to slideboxes” button, or preview your newly created slidebox by clicking on “Preview” button.
