## How to Create an Account in My Pathomation

Start by clicking on the "Register" tab or clicking on https://my.pathomation.com/register

In case someone sent you an email invite to join an organization and you have no account yet, you are guided to the registration process after clicking the accept button.

Fill in the form and a personal workspace will be created just for you. Select the hosting location which is closest to you from the drop down menu, this will be the server from which all your slides will be streamed. The hosting location will determine how fast the images will load - the shorter the distance the higher the speed.

Then agree to the terms of service, privacy policy and data processor agreement and click "Create my account"

You will now receive an email asking you to confirm the creation of your account. After confirming you can start using your personal workspace in My Pathomation!

In case you do not receive a confirmation email please check your junk folder or ask your IT administrator to add the @pathomation.com to the safe sender list. Still no email confirmation? Contact us at helpdesk@pathomation.com and we'll solve this for you.

Note that you will have the option later to create an organization in which to collaborate and share slides.
