

How to share a case?

1. Go to your cases via “My cases” on the sidebar.

2. All your cases are shown in the gallery. On every case, you can see the share button. Click share button and a new window pops up.

3. There are different ways to share your case.

1. You can copy the link and share it with others
2. You can embed your slide in your own web content
3. You can generate a QR-code for your slide
4. You can email the link of shared slide
5. You can directly send the link of shared slide via various social network service such as *Facebook, Twitter, WhatsApp, Messenger or LinkedIn.*

Also you can change the visibility option of your share. **Unlisted shares** can only be accessed by users with a valid link. **Public shares** can also be accessed by link, but are accessible from public listings too and anyone can view them.

Choose the options that suits your need best.
