

# How to share a case?

1. Go to your cases via “My cases” on the sidebar
2. All your cases are shown in the gallery. On the top right of every case, there is a share button, where you can click on.

3. A new window will pop up!

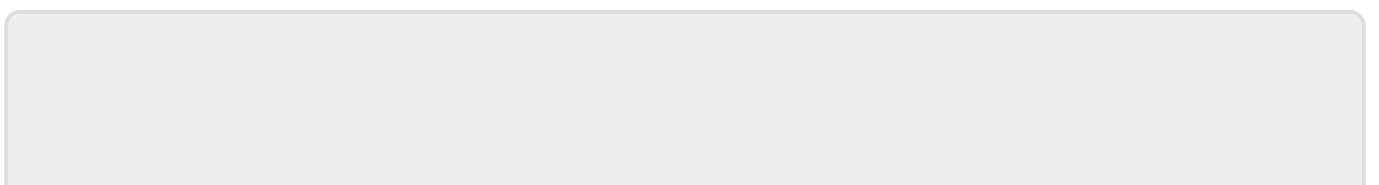

4. There are different ways to share your case.
  - You can copy the link and share it with others
  - You can embed your slide in your own web content
  - You can generate a QR-code for your slide

Choose the option that suits you best. Click next.

5. During this step, you can choose to protect your shared case with a password or an expiration date.

6. Your case is ready to be shared! Copy the URL and send it to others!
