2. All your slideboxes are shown in the gallery. On every slidebox, you can see the share button. Click share button and a new window pops up.

3. There are different ways to share your slidebox.

1. You can copy the link and share it with others
2. You can embed your slide in your own web content
3. You can generate a QR-code for your slide
4. You can email the link of shared slide
