4. Allow user registration option
5. Password recovery option
6. Welcome message on home page
7. Item which filetypes are allowed in a project, welcome message, logo and the brand name on the landing page, email contact address, logo and automated password generation.

Landing page:

The screenshot shows the Pathomation landing page. At the top, a header bar contains a group icon and the text 'The Pathomation Team - Training, tuning and testing demo-portal' (callout 1), followed by a help icon (callout 2). Below this is a login section with a 'Login' label, a 'Username, email' input field, a 'Password' input field, a 'Keep me logged in' checkbox, a 'Forgot password?' link (callout 5), a 'Click here to register' link (callout 4), and a 'Sign In' button. At the bottom, the Pathomation logo (callout 3) is displayed above the version information 'v2.0.0.1247 (PMA.UI v2.15.0)' and 'PMA.core ready - 2.1.0.2030'.

Allowed filetypes are

.jpg, .jpeg, .png, .pdf, .doc, .docx, .ppt, .pptx

Brand name

Pathology Department - Training, tuning and testing portal
