Configure Panels

The panels workgroup contains a series of toggles for the many panels offered by PIMS LS

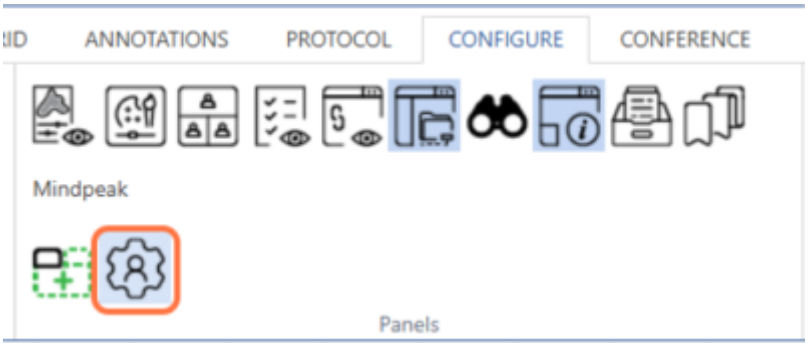

Panel icons

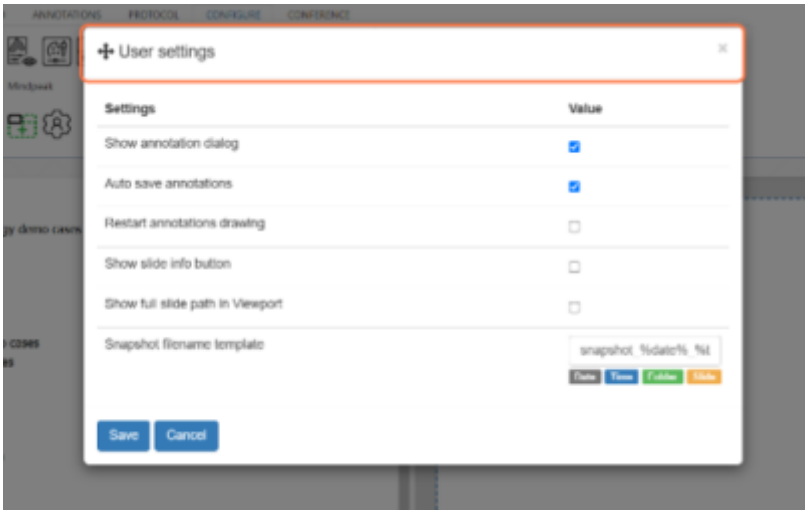

From left to right the icons turn on the following panels (you can click on the links to learn more):

1. Annotations
2. Color adjustments
3. Conferencing
4. Forms
5. Shared links
6. Slide browser
7. Search
8. Info
9. Tray
10. Bookmark
11. New viewport - opens a new viewport tab with a 1×1 grid

Edit user settings

The final icon opens a menu for toggling on and off user settings concerning which buttons you have in your display, and how annotation saving behaves
