Whats new?

PIMS LS 3.0.1

Added further security to the API endpoints

- We have run certain security scans and made our API endpoints lot more secure

Bug fixes

- Popout slide fix
- Viewport toggle buttons fix
- Line and fill opacity fixes

Improvements to existing features

- Added user account information to the upper right corner along with email address and moved PIMS LS brand title to the top left
- Also moved slide loading messages and indicator to the top center of the screen, instead of top right
