Grid: Size Tool Group

The Size toolgroup contains icons for changing how many cells are visible in your viewport

Top row

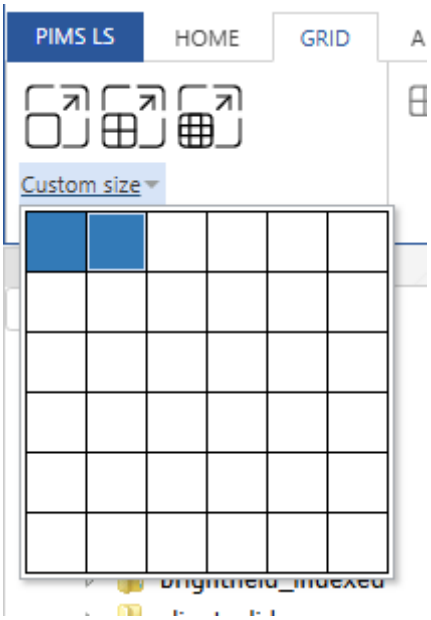

In the top row you can see icons for making a 1×1, 2×2, and 3×3 viewport grid, with 1, 4 and 9 images - respectively. The 2×2 option is shown below:

When you click one of the options, the software will ask if you want to keep the current images or replace them.

Bottom row

The custom size button allows you select how many cells tall and wide you want your viewport to be.
