

# Brush and magic wand

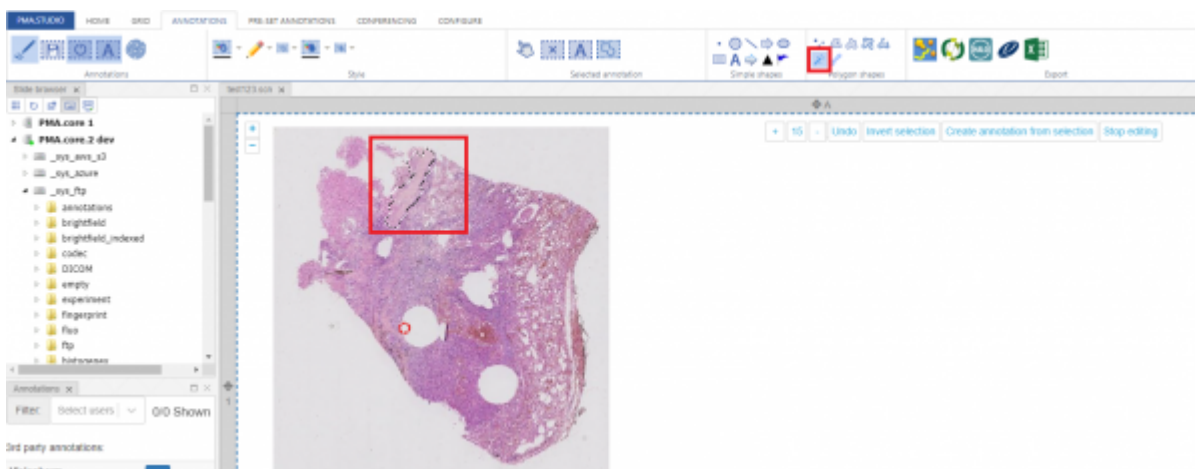

Brush and magic wand are two special tools that allow you to draw annotation on specific area of a slide.

(Brush Tool)

Brush tool allows you to paint specific area and create annotation on it.

(Wand Tool)

Wand tool allows you to select different areas on a slide by simply clicking on the slide. Once you click on a slide that specific area is automatically selected and annotation can be created on that area by clicking "create annotation from selection" button.
